Professional Summary

Results-driven full stack web developer with hands-on experience in developing responsive web applications using HTML, CSS, JavaScript, and Python. Proficient in integrating RESTful APIs, managing databases with MySQL, and utilizing version control systems like Git and GitHub. Eager to acquire skills in Java, Spring Boot, and cloud platforms to contribute to innovative software solutions.

Education

- Kakinada Institute of Engineering and Technology for Women, Korangi, Kakinada

+ B.Tech - CSE (Artificial Intelligence & Data Science), CGPA: 8.24, 2022-2026

Technical Skills

- Frontend: HTML, CSS, JavaScript

- Backend: Python, Flask, REST APIs

- Database: MySQL

- Tools & Platforms: Git, GitHub, VS Code

- Other: Generative AI (basic integration), project deployment

Projects

1. Blood Donation Management System

- Technologies: HTML, CSS, JavaScript, Excel

- Developed a blood donation web application that connects donors directly with recipients and manages donor data in Excel.

2. OmniGenAI ? All in One Platform for All Generative AI Needs

- Technologies: Python, Flask, Hugging Face Models & APIs, Generative AI, Gemini API, HTML, CSS, JavaScript

- Created a platform for text, image, and video generation integrating multiple AI models.

- Developed a user-friendly interface integrating multiple AI models under the Tech Saksham Program.

Internship Experience

- AICTE ? Web Full Stack Developer Intern (Virtual), Apr 2025 ? June 2025
 - + Developed responsive web pages using HTML, CSS, JavaScript, and Python (Flask).
 - + Integrated RESTful APIs for dynamic data handling between front-end and back-end.
 - + Version-controlled projects using Git/GitHub and deployed web applications.
 - + Optimized web page performance, improving load times and user experience.

Certifications

- Foundations of Modern Machine Learning Certificate ? IIIT Hyderabad, August 2023 ? May 2024
- Python Foundation Certification ? Infosys Springboard
- Applied Artificial Intelligence: Practical Implementations ? under TechSaksham, a joint CSR initiative between Microsoft and SAP, implemented by Edunet Foundation (TechSaksham), 2024-25

Career Goals

To leverage my skills in full stack web development and acquire expertise in Java, Spring Boot, and cloud platforms to become a proficient Java Full Stack Developer, delivering high-quality software solutions and contributing to the growth of the organization.
